## Jamie Lee Curtis Acceptance Speech

Stop! I have 45 seconds and I promised Janet Yang I wouldn't, do it well because I'm a good girl. I know it looks like I'm standing up here by myself, but I am not. I am hundreds of people. I'm hundreds of people. I am the -- where are the Daniels? Daniels, Jonathan, Ley Line, the entire crew, my bae Michelle, Ke, Steph, the entire group of artists who made this movie, we just won an Oscar. To my dream team, my agent Rick Kurtzman, Alan Wertheimer, Heidi Schaeffer, Sean James, Grace Ahn, Jane Ross, we just won an Oscar. To my family, my beautiful husband Christopher Guest, our daughters Annie and Ruby, my sister Kelly, we just won an Oscar. To all of the people who have supported the genre movies that I've made for all these years, the thousands and hundreds of thousands of people, we just won an Oscar together! And my mother and my father were both nominated for Oscars in different categories; I just won an Oscar.
